

# Time to Upgrade Your Induction Plan?

Most new CTE teachers have little to no background in teaching as they step to the front of a classroom for the first time.

**The Becoming a Career and Technical Education Teacher Induction Program** was built to make new teachers successful.

## What You and Your New Teachers Get

Training in 16 Core Skills CTE teachers need

Over 100 instructional activities

LMS available for 24/7

Discussion Groups

Customizable content

A Professional Portfolio

Program emphasizes the teacher-mentor relationship

Aligned to Danielson's Framework for Teaching

**Jackson & Kennerknecht**
